Henry,

Hi there, I'm forwarding an email to you from one of our roadmasters, confirming installation at DOT# 004522L, LS 7000 MP108.47, Toluca, IL (TR 142A), and DOT# 004410M, LS 7000 MP 60.83, Coal City, IL (Jugtown Road). This is the final confirmation on the installation of temporary stop signs at the project sites you had listed. Copies of the others should be arriving in the mail this week if you have not yet received them.

Thanks and have a wonderful day!

John,

This is Martha Smith, I work with Cheryl Townlian in Public Projects. We are needing confirmation of temporary stop sign

installation for several projects for ICC. Two of these projects are in your territory, it would be a great help if you could confirm that temp. stop signs were installed, and the date of installation.

The projects are:

DOT# 004522L, LS 7000 MP108.47, Toluca, IL (TR 142A)
DOT# 004410M, LS 7000 MP 60.83, Coal City, IL (Jugtown Road)
